

Village of Marblehead, Ohio
Johnson's Island Waterline Project
Public Information Meeting
June 24, 2023

Meeting Agenda

- I. Introductions
- II. Project Background (history, budget, funding, schedule, etc.)
- III. Project Development Status (engineering, permits, etc.)
- IV. Audience Participation: Questions about the project that are of common interest to property owners and residents.
- V. Open House: View the preliminary engineering plans and discuss one-on-one with the project engineers. Full-size plan sheets will be displayed on tables and property owners can discuss property-specific concerns with the project engineers.
