Public Information Meeting Announcement Radar Park Building Renovation Project

Topic: The Village's project to renovate the former federal radar building into a community meeting facility with restrooms and other amenities.

Village representatives will present the latest information about the project. Attendees will be given an opportunity to ask questions and provide input.

Agenda: This meeting will be conducted in an open house format so the public may come and go during the event. No formal presentation will be made. Exhibits will be displayed that depict the proposed improvements.

When: Thursday, September 28, 2023, 5:30-7:00 p.m.

Where: Municipal Services Building, 517 West Main St, Marblehead 43440.

More project information will be posted on the Village website marbleheadohio.org
